# **BML MUNJAL UNIVERSITY**

Named after the chairman and founder of the Hero Group, Dr. Brijmohan Lal Munjal, BML Munjal University is engaged in creating, preserving, and imparting internationally benchmarked knowledge and skills to a diverse community of students from across the world.

BMU's aim is to nurture ethical leaders who are skilled, knowledgeable, and have the life skills needed to lead organizations to success.

BMU seeks to transform higher education in India by creating a world-class and innovative teaching-learning and research environment. Founded by the Hero Group, BMU is a not-for-profit initiative offering undergraduate and post-graduate courses.

## **HIGHLIGHTS**

- ⇒ BMU's School of management is ranked 37 by NIRF - 2020
- ⇒ BMU's Institution Innovation Council has received a '5 STAR' rating for 2019-20 by AICTE
- ⇒ BMU was chosen as the Best Education Brands 2020 by ET Edge

# **67TH MILESTONE**

67th Milestone is more than just a fest; it is a celebration of innovation, creativity, and talent. As the flagship techno-cultural-management and sports fest of BML Munjal University, 67th Milestone has earned a reputation as a vibrant and dynamic platform for students to explore their potential, showcase their skills, and connect with like-minded individuals.

## **WHAT MAKES THE 67TH MILESTONE UNIQUE?**

- ☞ **Diverse Participation:** The fest draws over 1,000 participants from 100+ colleges and universities nationwide, making it a melting pot of cultures, ideas, and talent.
- ☞ **Interdisciplinary Events:** With a seamless blend of technical, cultural, management, and sports activities, 67th Milestone offers something for everyone. It's a space where engineers, artists, entrepreneurs, and athletes come together to collaborate and compete.
- ☞ **Unparalleled Opportunities:** From hackathons like Hacked 3.0 to technical workshops, cultural performances, and management challenges, the fest provides participants with numerous opportunities to learn, grow, and shine.

# HACKED 3.0

Welcome to Hacked 3.0, the flagship hackathon of the 67th Milestone, where innovation meets creativity! Over the years, this 24-hour hackathon has become a platform for aspiring engineers, developers, and tech enthusiasts to come together and build groundbreaking solutions to real-world problems.

This year, Hacked 3.0 embraces an open theme, empowering participants to think outside the box, identify challenges, and craft impactful solutions that address societal and technological needs. With a vibrant mix of collaboration, mentorship, and hands-on learning, the event promises to spark ideas that push boundaries and drive innovation.

100+ COLLEGES AND  
UNIVERSITIES  
PARTICIPATING

300+  
PARTICIPANTS

# THEME

The hackathon embraces an **open theme**, giving participants the freedom to explore their creativity and innovation. Participants can identify problem statements that resonate with their interests or passions, offering them the opportunity to work on challenges they care deeply about. Whether tackling global issues, streamlining everyday tasks, or creating groundbreaking tools, teams are encouraged to think outside the box and align their solutions with their vision.

Entries will be judged on:

- **Originality:** Freshness and uniqueness of the idea.
- **Execution:** How well the hack is implemented and user-friendly.
- **Usefulness:** Practicality and real-world application.
- **Learning:** Effort and learning showcased by the team.
